## Acknowledgment

**A** I agree to become a shareholder of the Fund and in connection therewith subscribe for and agree to purchase Shares of the Fund on the terms provided for in (i) this Subscription Agreement, (ii) the Fund's Prospectus and Statement of Additional Information (the "SAI"), (iii) the Amended and Restated Agreement and Declaration of Trust (the "Agreement and Declaration of Trust", together with this Subscription Agreement, the Prospectus and SAI, the "Fund Documents") and (iv) the Privacy Notice of the Fund in which I am investing and agree to be bound by their terms and conditions. I certify that I have the authority and legal capacity to make this purchase and that I am of legal age in my state of residence.

**B** I authorize the Fund and its agents to act upon instructions (by phone, in writing or other means) believed to be genuine and in accordance with the procedures described in the Fund Documents for this account. I agree that neither the Fund nor the transfer agent will be liable for any loss, cost, or expense for acting on such instructions.

**C** I am aware that an investment in the Fund involves substantial risks and have determined that a subscription is a suitable investment for me and that, at this time, I can bear a complete loss of my entire investment therein.

**D** I understand that under the terms of the Fund Documents, shareholders cannot withdraw from the Fund and Shares cannot be transferred, except as provided in the Fund Documents. I understand that liquidity is generally only available through a hybrid repurchase mechanism, where under normal circumstances, the Fund intends to provide a limited degree of liquidity to shareholders by conducting discretionary repurchase offers, which are expected to be quarterly, although there is no assurance that any such repurchases will be conducted quarterly. The frequency and amount of such discretionary repurchase offers will be made at the discretion of the Fund's board of trustees. Consequently, I acknowledge that I am aware that I may have to bear the economic risk of investment in the Fund indefinitely and that Shares are speculative and illiquid securities involving substantial risk of loss.

**E** I understand that the Fund Documents are not an offer to sell Shares and are not soliciting an offer to buy Shares in any state or jurisdiction where such offer or sale is not permitted.

**F** I will acquire Shares of the Fund for my own account for investment purposes only, and not with a view to or for the re-sale, distribution, or fractionalization thereof, in whole or in part. I agree not to offer, sell, transfer, pledge, hypothecate or otherwise dispose of, directly or indirectly, all or any number of the Shares or any interest therein, except in accordance with the terms and provisions of the Fund Documents and applicable law (including without limitation, the registration requirements of the Securities Act or an exemption therefrom, and any other applicable securities laws).

**G** I certify that I am not a Foreign Financial Institution as defined in the U.S.A. Patriot Act.

**H** (1) I certify that if I am a Fiduciary executing this investor certification on behalf of an employee benefit plan as defined in Section 3(3) of the United States Employee Retirement Income Security Act of 1974, as amended ("ERISA"), that is subject to ERISA (a "Plan"), I represent and warrant that Skypoint Capital Advisors, LLC (the "Investment Adviser") and its affiliates have not acted as a Fiduciary under ERISA with respect to the purchase, holding or disposition of Shares, and that no advice provided by the Investment Adviser or any of its affiliates has formed a basis for any investment decision by the Plan or me in connection with such purchase, holding or disposition.

- (2) I further represent and warrant that the investment by the Plan in the Fund is prudent for the Plan (taking into account any applicable liquidity and diversification requirements of ERISA), and that the investment in the Fund is permitted under ERISA, the Internal Revenue Code, other applicable law, and the governing plan documents of the Plan,
- (3) I further represent and warrant that the Plan's purchase of the Shares does not and will not (assuming compliance by the Fund with its governing agreements), result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Internal Revenue Code (or in the case of any governmental plan, any Federal, state, or local law that is substantially similar).

**I** In connection with the Fund's efforts to comply with applicable laws concerning money laundering and related activities, I represent, warrant, and agree that to the best of my knowledge based upon reasonable diligence and investigation:

(1) I am not (nor is any person or entity controlled by, controlling or under common control with me, or any of my beneficial owners) any of the following:

- (a) A person or entity listed in the Annex to Executive Order 13224 (2001) issued by the President of the United States, which is posted on the website of the U.S. Department of Treasury (<http://www.treas.gov>).
- (b) Named on the List of Specially Designated Nationals and Blocked Persons maintained by the U.S. Office of Foreign Assets Control (OFAC), which is posted on the website of the U.S. Department of Treasury (<http://www.treas.gov>) under "OFAC/SDN List."
- (c) A person or entity resident in, or whose subscription funds are transferred from or through an account in, a foreign country or territory that has been designated as a "Non-Cooperative Jurisdiction" by the Financial Action Task Force.
- (d) A person or entity resident in, or in the case of an entity organized or chartered under the laws of, a jurisdiction that has been designated by the Secretary of the U.S. Treasury under Sections 311 or 312 of the USA Patriot Act, and the regulations promulgated thereunder as warranting special measures due to money laundering concerns. For updates, see the website of the U.S. Department of Treasury (<http://www.treas.gov>).
- (e) A foreign shell bank (See U.S.A. Patriot Act and related regulations for definition).
- (f) A senior foreign political figure. This restriction on senior foreign political figures also applies to any immediate family member of such Figure or close associate of such Figure (See U.S.A. Patriot Act and related regulations for definition).

(2) No consideration that I have contributed or will contribute to the Fund:

- (a) Shall originate from, nor will they be routed through, a foreign shell bank or a bank organized or chartered under the laws of a Non-Cooperative Jurisdiction.
- (b) Has been or shall be derived from, or related to, any activity that is deemed criminal under U.S. law.
- (c) Shall cause the Fund or the Investment Adviser to be in violation of the U.S. Bank Secrecy Act and all other federal anti-money laundering regulations.

- (3) I understand and agree that if at any time it is discovered that any of the representations in this Section I are incorrect, or if otherwise required by applicable law related to money laundering and similar activities, the Investment Adviser may, in its sole discretion and notwithstanding anything to the contrary in the Fund Documents, as each may be amended or modified from time to time, undertake appropriate actions to ensure compliance with applicable law, including but not limited to freezing, segregating or redeeming my subscription in the Fund.
- (4) I further understand that the Fund or the Investment Adviser may release confidential information about me and, if applicable, any underlying beneficial ownership, to proper authorities if the Fund or the Investment Adviser, in their sole discretion, determines that it is in the best interests of the Fund in light of applicable law concerning money laundering and similar activities.
- (5) I agree to provide to the Fund any additional information that the Fund deems necessary or appropriate to ensure compliance with all applicable laws concerning money laundering and similar activities. I shall promptly notify the Fund if any of the representations in this Section I cease to be true and accurate. I agree to call the Fund if I need more information about Section I or if I am unsure whether any of the categories apply to me.
- (6) I understand that the Fund and its affiliates are relying on the certification and agreements made herein in determining my qualification and suitability as an investor in the Fund. I understand that an investment in the Fund is not appropriate for, and may not be acquired by, any person who cannot make this certification, and, to the extent permitted by applicable law, agree to indemnify the Fund and its affiliates, the Investment Adviser and its affiliates, and their respective directors, trustees, managers, members, shareholders, partners, officers, and employees and hold each of them harmless from any liability that they may incur as a result of this certification being untrue in any respect.

**J** I acknowledge that I am not subscribing pursuant hereto for the Shares as a result of or subsequent to (i) any advertisement, article, notice or other communications published in any newspaper, magazine, or similar media (including any internet site that is not password protected) or broadcast over television or radio, or (ii) any seminar or meeting whose attendees, including myself, had been invited as a result of, subsequent to or pursuant to any of the foregoing.

**K** The representations, warranties, agreements, undertakings, and acknowledgments made by me in this Application are made with the intent that they be relied upon by the Fund in determining my suitability as an investor in the Fund and shall survive my investment. I agree to provide, if requested, any additional information that may reasonably be required to determine eligibility to invest in the Fund or to enable the Fund to determine the Fund's compliance with applicable regulatory requirements or tax status. In addition, I undertake to notify the Fund immediately of any change with respect to any of the information or representations made herein and to provide the Fund with such further information as the Fund may reasonably require.

**L** I acknowledge that this Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware with all rights being governed by Delaware law without regard to any applicable rules relating to conflicts of laws.

### Certification of Beneficial Owners for Legal Entity Clients

This information is required by federal regulations as a means to identify and document information for individuals who own and/or control a legal entity.

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. A legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in The United States of America or a foreign country. A legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf. **Do not complete if the entity is publicly traded on an exchange or subject to ERISA.**

(Section C continued)

**Beneficial Owners**

Identify each individual who owns—directly or indirectly through any agreement, arrangement, understanding, relationship, or otherwise—25% or more of the equity interests of the legal entity.

Check this box if no individual owns 25% or more of the legal entity and that you will inform the Fund if/when an individual assumes 25% or more ownership.

- E. An entity in which all of the beneficial owners are investors described in one or more categories A through D above.

## 12. Risks

- Shares are not listed on any securities exchange, and it is not anticipated that a secondary market for Shares will develop.
- You should generally not expect to be able to sell your Shares (other than through the repurchase process), regardless of how the Fund performs.
- If you are permitted to sell your Shares to a third party rather than through the repurchase process, you may receive less than your purchase price.
- Shares are subject to substantial restrictions on transferability and resale and may not be transferred or resold except as permitted under the Agreement and Declaration of Trust. Although the Fund may offer to repurchase Shares from time to time, Shares will not be repurchased by the Fund at a Shareholder's option, nor will they be exchangeable for Shares or shares of any other fund. As a result, an investor may not be able to sell or otherwise liquidate his or her Shares. Due to these restrictions, an investor should consider an investment in the Fund to be illiquid.
- Shares are appropriate only for those investors who can tolerate a high degree of risk and do not require a liquid investment and for whom an investment in the Fund does not constitute a complete investment program.
- Because you will be unable to sell your Shares or have them repurchased immediately, you will find it difficult to reduce your exposure on a timely basis during a market downturn.
- Shareholders will pay offering and organizational expenses and will have to receive a total return at least in excess of those expenses to receive an actual return on any investment.
- Any interest accrued by borrowing in anticipation of share repurchases or tender offers or accumulation of cash in anticipation of repurchases will reduce the Fund's net income; any expense of which will be indirectly borne by the holders of the Fund's shares.
- As a result of the selling commissions and dealer manager fees you pay and the offering expenses incurred, Shares are subject to immediate dilution upon purchase. In addition, because Shares are continuously offered, you may experience additional dilution in the net asset value of your Shares.

- The Fund will use direct investments, secondary purchases of interests, private fund commitments, and short-term investments to achieve its investment objective. The Fund may also, at times, be a “fund of funds”, in that a substantial portion of its assets may be invested in closed- end private funds and in other registered investment companies, including exchange-traded funds.
- You should invest in the Fund only if you can sustain a complete loss of investment.
- The Fund has no operating history and Shares have no history of public trading.
- The Fund may seek to enhance returns through the use of leverage. The Fund intends to use borrowings, including loans from certain financial institutions, to leverage its portfolio, in an aggregate amount of up to 33 1/3% of the Fund’s total assets (including the assets subject to, and obtained with the proceeds of, such borrowings) immediately after such borrowings. Leverage magnifies volatility and will decrease the Fund’s return if the Fund fails to earn as much on its investment purchased with borrowed funds as it pays for the use of those funds. The Fund’s leverage strategy may not work as planned or achieve its goal. All leverage expenses of the Fund will be borne solely by holders of the Fund’s Shares.

**Risks associated with the Fund’s distribution sources.**

- The amount of distributions that the Fund may pay, if any, is uncertain.
- The Fund may pay distributions in significant part from sources that may not be available in the future and that are unrelated to the Fund’s performance, such as offering proceeds, borrowings, amounts from the Fund’s affiliates that are subject to repayment by investors, and return of capital (*i.e.* generally the return of your investment rather than a return of earnings or gains derived from the Fund’s investment activities, made after deduction of the fees and expenses payable in connection with the offering, including any fees payable to the adviser). When distributions are paid from these sources, the amount of capital available to the Fund for purposes of investment may be reduced.
- Fees and expenses, including any future reimbursement of waived fees and expenses for which the Investment Adviser is eligible, will reduce any distributions a Shareholder would otherwise receive.
